Positive: Professionalism, Punctuality, Quality, Responsiveness, Value

After doing some research, I was in need of a plumber to fix a leak in my bathroom plumbing, and I came across Earth Care online! They have many reviews, excellent ratings, and a pricing that pleased me. They responded to my call and came out the same day to address the issue! They performed admirably!

Positive: Punctuality, Quality

Jack took care of our problem and even came back a few days later to calibrate our shower. He provided great customer service, was very responsive and definitely reliable. We will certainly use them again in the future and highly recommend their service.

We have used Earth Care four times in past few years and each time was a fantastic experience. Jack runs a top-flight operation, and Chris is not only knowledgeable and professional, but a super nice guy, as well. Thank you, Team Earth Care!

❓ Frequently Asked Questions & Answers ❓

Q. What is your cancellation/refund policy for a rental?

A. You can request a refund anytime up until 24 hrs before the original scheduled appointment date. If you are unhappy with the pro we send for any reason we can send a different one free of charge. We also ask that you do not pay the original pro until the work has been completed to your satisfaction.

Q. What if I need more time?

A. If you used up all your time and still need to get things done, you can work out a rate with the pro we sent without having to go through the company or we can prorate the difference between the packages. For example, if you ordered a 4hr package and decided that you will need another 4hrs instead of having to book a second 4hr package, you can save money by just paying the difference between the 4 and 8hr rates. Our standard rate is \$49 per hr.

Q. What if I don't use all my time?

A. If you don't use up all your time we will convert the balance to a gift card that you can use off a future service call.

Q. What are pros?

A. "Pros" is short for professional and is the term we use to describe our tradespeople. All of our Tradespeople are insured, certified, drug-checked, and background-checked before serving clients. We are a proud user of E-Verify.

Q. What if I don't like my assigned pro?

A. If you are unhappy with the pro, you are allowed to request a replacement pro free of charge.

Q. How does the promo code ALTPAY work?

A. If you elect to pay for your service with a payment method other than credit/debit such as cash app Zelle or wise. We will take 20% off the total price.

Q. Are there military discounts?

A. Yes we want to honor the hard work our Police, Military, Vets, Firefighters, Ems, and Teachers do so we are proud to offer them 10% off with proof of id.

Q. What are rewards points and how do they work?

A. Our rewards program is simple, You get 25 points just for signing up and making an account and you earn 1 point for every dollar you spend with us. Your points never expire and follow you for life. You can then use your points for discounts on your future services. You can learn more about our rewards by going to the rewards page or just giving us a call.

Q. How Do I Reschedule My Appointment?

A. You have the right to reschedule your appointment up to 3 times. All you need to do is give us a call and we will take care of the rest.
